

Dates We've Set

twentieth century an independent study has been carried on that does not blindly follow some traditional chronological calculations of Christendom, and the published timetable resulting from this independent study gives the date of man's creation as 4026 B.C.E.† According to this trustworthy Bible chronology six thousand years from man's creation will end in 1975, and the seventh period of a thousand years of human history will begin in the fall of 1975 C.E.

⁴² So six thousand years of man's existence on earth will soon be up, yes, within this generation.

Wait! Just one more! So much eager anticipation!
