give appeal and satisfaction

Hi herko - interesting comments you make - as a person who has been a member of that team I find it hard to deal with several issues and I guess these are the most important ones - I write a PM as I think I would be admonished for going public:

1. Going 3 months backward - roed is being officious about a roadmap which fails to acknowledge and recognise current work and thinking - we

have got past where she is planting her roadmap 3 months ago
 2. She seems to expect all work to stop while we get this official foundation doc complete - and in the process we have lost Marco - and me to some extent - I am not prepared to work backwards. She has assumed leadership because she wants a roadmap and organisation - I have left her to it - I just want to get on with the task. Her roadmap does not reflect the objective of meeting the needs of the community IMHO
 3.

Managexoops.org is not opensource - what more can i say! Those who could be on the team to offer services and improve the size of work teams are not being given the opportunity to do so because m.x.o is behind closed doors...

Oh and another - according to Rowd sge and myself should never have been invited to participate in M.x.o in the first place - a skalpa thing - Carnuke was invited and
