Maybe the title was changed because there are more than one Xoops community in Brazil. I know these ones:

- <http://www.xoopstotal.com.br> (general discussion about Xoops)
- <http://www.xoops.org.br> (translation discussions)
- <http://xoops.codigolivre.org.br> (general)
- <http://www.xoopsbrasil.com> (a "live archive")

I agree to these changes done by Xoops.org staff on the name of this community. I think that it's better this way.

Lucas.
